ELIGIBILITY AND SUBMISSION REQUIREMENTS - 2021-2022 LANE ANDERSON AWARD

SELECTION PROCESS

The annual Lane Anderson Award will honour two jury-selected books, adult and young reader, published in the field of science by Canadian-owned publishers, and authored by Canadians. The winner in each category will receive \$10,000. In the young reader category, the \$10,000 will be divided equally between the author and the illustrator where applicable. Electronic books are now accepted as published works contingent on the parameters below.

Two three-person jury panels drawn from the Canadian academic, publishing, creative and institutional fields will review submissions in the two categories. The winners will be announced in the fall. The judges' decisions are final.

The two shortlists will be announced in the fall 2023. Closing date for submissions is April 30, 2023 for books published in 2021-2022.

ELIGIBILITY

1. All entries must be published in English between January 1, 2021 and December 31, 2022.
2. All entries must have an ISBN and be available for sale in bookstores in Canada, subject to the Electronic book parameters (#3.)

3. Electronic books are eligible, contingent on the author thereof being a permanent resident of Canada during the 2021-2022 calendar year, the entry having been made generally available for public sale on a commercial basis during the 2021-2022 calendar year and submission to the Lane Anderson Award in PDF format.
4. A collection of essays by one author is eligible if the essays are on a single theme, and if the work in its entirety has not been published elsewhere. A collection of essays by more than one author is not eligible.
5. A work by two co-authors is acceptable, provided the whole work is integrated and coherent. In the case of winning co-authors, the prize money will be divided between them.
6. Non-eligible works include pamphlets, monographs, brochures, reference books, conference papers and subsequent or revised editions of books. Posthumously published works are also not eligible, nor are works of fiction.
7. Short-listed authors may be required to attend the awards ceremony in Toronto and, if declared the winner, to address the audience at that time.
8. The rules for eligibility will be administered, applied, interpreted and may be revised from time to time at the discretion of the administrator of the Lane Anderson Award. The administrator's judgment on the application of the rules and the eligibility criteria is final.
